Why are we transitioning to Mobile Ticketing?

Adopting mobile ticketing allows for quick and convenient entry into the XL Center. It also reduces the risk of lost, stolen, or counterfeit tickets. Plus! It allows you to easily transfer or sell your tickets.

Can I have multiple tickets on the same mobile device?

Yes! You can view all your tickets by swiping left or right on your smartphone. We encourage you to transfer each ticket to each member of your party to allow for easier and faster entry.

Can I print my tickets at home?

Tickets should not be printed at home.

Can me and my party arrive at different times?

Yes! Please view the 'How To Transfer Mobile Tickets' page to transfer tickets to your guests.

What if I don't have a smartphone?

We understand not everyone has a smartphone. Please call us at (860) 727-8010 for assistance.

When should I download my tickets?

We recommend downloading your tickets at home prior to the game to ensure you don't have service connectivity issues.

What if my phone runs out of battery or I don't have service when I arrive?

Please visit the Sunwave Gas + Power Ticket Office for assistance.
